

TENS Machine Loan Agreement

I, _____, am borrowing a **TENS Machine** from **South Community Birth Program (SCBP)** to use for comfort during my labour.

- **Date Borrowed:** _____ (YYYY/MM/DD)
SCBP lends TENS machines to clients over 38 weeks who **do not have a Doula assigned*
If you **have an assigned doula and would like a TENS machine before meeting your doula in labour, SCBP would recommend renting one privately in the community (e.g., New Spirit Arrivals TENS Rental).*
- **Estimated Due Date:** _____ (YYYY/MM/DD)
- **Expected Return Date:** within 1 week after birth

I understand it's my responsibility to return the machine to SCBP on time, unless advised otherwise. SCBP has a very limited number of units, so returning it promptly helps other families, too—thank you!

By signing this form, I confirm that I've received the TENS machine and agree to:

- ☐ Return it within 1 week after my baby is born
- ☐ Bring it back in the same condition it was in when I borrowed it (normal wear and tear is completely fine)
- ☐ If I can't return it in person, I'll arrange to have it couriered back to the clinic

About Replacement Costs

I agree to provide credit card info and understand:

- ☐ If the machine is lost, damaged, or not returned, SCBP can charge **\$250** to my card
- ☐ If damaged during my use, repair or replacement costs can be charged

Visa/Master Debit Card or Credit Card Number (16 digits) *No AMEX Card, please	Expiration Date (MM/YY)	CVC Code (3 digits)

Thanks—and SCBP hopes the TENS machine supports you during labour!
